Wow, this should be your new home!

If you want a deeded chain of lakes access and a large 4 bedroom 3 bathroom pool home on an oversized lot then this home is for you!

Upon arriving at the home you will see a large paver driveway with a big front entry enclosed porch. When you enter the home you will find a formal living room, huge family room and an eat in kitchen. The separate den can easily be used as a home office or a 5th bedroom. The oversized owners suite offers direct access to the covered back lanai right off of the enormous pool and hot tub. The 4th bedroom is also set up as an in-law suite with its in room full bath and direct access to the pool deck. The fully fenced yard offers so much privacy. The extended paver pad off the driveway and behind the fence allows for RV, boat, trailer, and toy parking. This home includes all the appliances, a storage shed, and so much more. Additional storage is available in the attached 3 car garage.

You definitely need to see the possibilities this home offers it's new owners.
